AGENDA FOR TELEPHONE INTERVIEW

Examiner:

I would like to request a telephone interview on July 20, 2004. Please consider the following topics for discussion:

- Darlet does not teach a module for use with an application program for use in a data processing system comprising: an export/import list and a loader helper function, wherein the loader helper function is callable by a loader to resolve an unresolved component. (claim 1)
- Darlet does not teach a method of resolving an unresolved module required by a loader in loading an application, comprising: determining that a component is unresolvable by the loader, calling a loader helper function to resolve the component; and responsive to the loader helper function resolving the component, using the component to resolve a pending import requirement. (claims 5, 10 and 15)

The Examiner is invited to call at the below-listed telephone number to confirm or reschedule the requested telephone interview.
